

## Twinax Connector TRB 3-lug Bulkhead Jack Feedthru Isolated

Bulkhead TRB jack to TRB jack bulkhead adapter part number FMAD10-06568 from Fairview Microwave is in-stock and ships same day. This Fairview TRB to TRB adapter has a jack to jack gender configuration. FMAD10-06568 TRB jack to TRB jack adapter. Our RF TRB bulkhead to TRB bulkhead adapter allows designers to create external connections on their product enclosures, and can be used in a variety of other rack mount and panel mount applications.

RF adapters can be used to enable connections between two connector types that would otherwise not mate. Certain RF adapter configurations can also be used to protect connectors on expensive equipment where the number of connect and disconnect cycles is high. An RF, microwave, or millimeter wave adapter is connected to the equipment and the commonly changed connection is made with the adapter which can be easily replaced when it wears out after high usage; such adapters are referred to as connector savers. Fairview Microwave also offers bulkhead, panel mount, hermetically sealed, reverse polarity, and isolated ground adapter varieties to serve all of your RF, microwave and millimeter wave needs.

### Mechanical Specifications

Size	
Length	1.29 in [32.77 mm]
Width	0.80 in [20.32 mm]
