

IP68, Weatherproof Cold Shrink, Silicone Cable Assembly Boot 1.11 to 0.25 Inch Diameter, Type N, TNC, 4.3-10 for LMR-600 to SPX-375

The Fairview Microwave FMCB003 is a silicone cold shrink cable assembly boot that provides reliable weatherproofing to cable assemblies. This highly flexible weather insulation is specifically designed to fit Type N, TNC, and 4.3-10 connectors for LMR-900 to SPX-500 cables. This cold shrink tubing from Fairview conforms to IP68 ratings. The FMCB003 cold shrink tubing is specifically stocked to be readily available for same business day shipment.

Fairview Microwave’s FMCB003 weather insulation cable boot offers customers an innovative solution to add weatherproofing options to already assembled cables. The silicone weatherproof insulation is compatible with multiple coaxial cables and connector options, and its durability, flexibility, and longevity ensure excellent performance. This Type N, TNC, and 4.3-10 connector cold shrink sleeve is tear resistant, reliable, and a cost-effective solution for cable assembly weatherproofing.

The Fairview Microwave FMCB003 weather insulation has shrink-ratio greater than 2:1 and can be used in very confined or dangerous spaces where heat shrinks are more difficult to use. No special tools are required to install this silicone cold shrink, the tubes can be unwound manually to shrink down the diameter from 1.11 to 0.25 inches to form a tight seal for the cable. Our Type N, TNC, and 4.3-10 connector cold shrink cable boot provides excellent weatherproofing to cables and connectors, protecting them from environmental factors such as UV rays, moisture, dust, and debris.

This Fairview Microwave product is available for quick shipment worldwide and this cold shrink weatherproofing is just one of more than a million parts, we have available. We also stock a wide selection of other connectors and accessories that will ship the same business day. For further information on similar products, our expert technical support and trained sales team can get you to the perfect silicone cold shrink cable assembly boots as per your requirement.

Configuration

Body Length, in [mm]	4.92 [124.97]
